Dear Sir,

It is understood that a copper-plate-grant issued by one Devendra Varma son of Rajendra Varma, in favour of his Guru who lived in Sri Parvata in the 8th century A.D., is now preserved in the ~~Bangalore~~ Government Museum, Bangalore. It is further ~~understood~~ reported that this has been published in the Epigraphica Carnatica, Vol.IX Page 33, but that the full text of the grant has not been given in the publication. As it is now required to be deciphered and examined, I am to enquire whether you could arrange to furnish an estampage of the copper-plate-grant.

The favour of a very early reply is requested

Yours faithfully,
